Marie Serrano joins KINGSTONE Real Estate as Finance Director

Munich, 1 October 2021 – KINGSTONE Real Estate is further strengthening its team with the addition of Marie Serrano as Finance Director with responsibility for asset structuring, financing and controlling. She reports directly to the Head of Finance, Michael von Gruenewaldt.

Ms. Serrano brings more than 30 years of financial experience, particularly in German and international lending. Before moving to KINGSTONE Real Estate, she served at Münchener Hypothekenbank as a senior loan specialist. Her past professional experience also includes work with Catella Real Estate, UBS Real Estate, Siemens and Commerzbank.

“Over the past few months, we have been able to expand our product portfolio with two new institutional funds and to open up a new asset class in the healthcare area,” says Dr. Tim Schomberg, Managing Partner and Chief Executive Officer of KINGSTONE Real Estate. “We have accordingly expanded our broad-based team to bring in additional expertise. I am delighted with the addition of Marie Serrano, an experienced financing expert who will help us to realise our further growth plans.”

About KINGSTONE Real Estate

KINGSTONE Real Estate is an owner-managed real estate investment management group founded by the Schomberg family and Pegasus Capital Partners offering a wide range of investment products and a holistic approach for German and international institutional investors.

KINGSTONE combines a top-notch real estate deal and project pipeline with the excellent access of our senior management to national and international investors. Our strategic co-owner Pegasus offers capabilities and a proven track record as project developer and mezzanine specialist. Combining this with the Schomberg family’s decades of experience in the international and institutional real estate fund business enables us to generate sustainable returns for our clients.
